

Core Values

SAFETY
SAFETY

Protecting the health and promoting the well being of our patients, staff and the community.

PROFESSIONALISM
PROFESSIONALISM

Acting consistently in the most competent, compassionate, and ethical manner.

COLLABORATION
COLLABORATION

Working as a team and partnering with the community.

QUALITY
QUALITY

Striving toward the highest degree of excellence in all that we do.

SERVICE
SERVICE

Contributing to the shared goals of the people and the community.

We conduct ourselves with the utmost integrity, and are passionately committed to living out these values. Our goal is to be the regional leader in providing fiscally responsible emergency medical services that will enhance the communities we serve.
